
RAPHAËL BARRIÈRE

20 YEARS OLD

GAME DESIGNER

PROFIL

Aix-en-Provence, France

Young, dynamic, and passionate. I fear nothing and am driven by the ambition to work on meaningful, large-scale projects. I thrive in team environments, where I enjoy collaborating, learning from others, and constantly expanding my skills.

Curious and eager to grow, I always give my best to share my energy and positive mindset.

EXPERIENCES

FINAL YEAR PROJECT – SYNTHWAVE SHOW DAWN

Student Project – December 2025 – July 2026 (1 Year)

Rhythmic Hero Shooter – 4v4 Multiplayer (Unreal Engine 5)
